[World AIDS Day: End HIV Stigma Through Leadership. Commitment. Impact.](#)

Where: JMK Park, Dar es Salaam, Tanzania

Adolescents and youth especially girls have an increased risk to get infected with HIV, be discriminated from treatment and care, face social isolation, and lack support to access information and resources on time. Stigma has everything to do with the challenges girls in Tanzania and many developing countries are still dealing with. It takes multiple players and concerted efforts to breakdown HIV/AIDS greatest barrier - **Stigma**. CSI Tanzania in collaboration with committed partners JMK Park, Grassroot Soccer, and Kays Hygiene Ltd will lead and make an impact for girls to be informed and empowered to know their status, protect themselves, and be youth voices to end HIV Stigma.

[#GivingTuesday](#)

Where: Online | Global

#GivingTuesday is the one day the world speaks the same language of giving, charity, and making a difference for the poor and less privileged. The one day, the world asks: Why should mothers die giving birth, yet as little as \$7 can increase their chances of surviving childbirth? Why should a girl-child skip school because of her monthly periods, yet as little as \$5 can get her a reusable kit to last more than twelve months? Why should a pregnant woman give birth without a skilled birth attendant, yet as little as \$250 trains a certified midwife to provide quality and respectful maternity care? Why should diarrhea, pneumonia, or malaria be a child's worst enemy, yet there are extremely low-cost basic interventions? [Click here](#) to find out how you can support Childbirth Survival International causes.

Tuesday, November 29, 2016

[GirlTalk, GirlPower](#)

Where: Seguku Hill College, St. Peters Secondary School, and Seguku Primary School - Wakiso District, Uganda

Investing in girls living in societies, which traditionally undervalue the girl child is not a simple exercise yet very important for girls, their families, and communities. CSI's flagship girl child program, **Girl Talk, Girl Power** in its second year has reached out to hundreds of adolescent girls in Uganda and Tanzania addressing "taboo" topics. Communities and school administrators have praised the success of the program in educating and informing girls on menstruation, menstrual hygiene, HIV/AIDS, teenage pregnancy, sexual and reproductive health, and inspiring them to Dream Big. Special thanks to [Rotary District 7620](#) for funding this program.

[World Orphans Day: Make A Donation](#)

Where: Lwamata Sub-County, Kiboga, Uganda

Around the world, the number of Orphans and Vulnerable Children is increasing rapidly compared to number of able caregivers and centers to ensure the children survive and thrive. Most caregivers and centers are overwhelmed and do not receive a lot of support from Government and/or community to fully support the children that walk through their doors. The uncalled plight of orphans and vulnerable children falls on us all to do something! [Donate \\$83 today](#). Childbirth Survival International is working with Zubair Kayongo Foundation in Kiboga and Namuddu General Workshop in Kawempe to help 90 young children with bunk beds. CSI will reach out to donors, friends, and supporters to help raise \$2,500 and deliver 30 bunk beds on World Orphans Day. Let's do it!

International Day of the Girl Child

Where: JMK Park, Dar es Salaam, Tanzania

With the Sustainable Development Goals rolled out and in order to achieve them by 2030, we need girls to be part of this ambitious journey. Addressing gender inequality, societal and deeply-rooted cultural "norms" by educating and empowering girls is the first step to breaking the barriers for girls. Childbirth Survival International marks this day with great energy from months of working with adolescent girls for more than 24 months.

October 7-8, 2016

Women of the World (WOW) Baltimore

Where: Notre Dame of Maryland University, 4701 N Charles St, Baltimore, MD 21210

WOW Women of the World is a high-profile, global movement of festivals that celebrates women as a force for positive change and takes a frank look at remaining barriers to gender equality. Some core issues such as global maternal health, gender equality, girls' education, are part of many of the conversations that will take place and Tausi Suedi, Childbirth Survival International CEO will be part those conversations. **#WOWBaltimoreNDMU**

designed to strengthen midwifery skills, improve quality of maternal-newborn care in health facilities, and infuse respectful maternity care in day-to-day midwifery best practices. **#CSIMidwifery**

Tuesday, September 20, 2016

[Reach Every Mother and Child Act \(HR3706\)](#)

Time: 7:00 PM - 9:00 PM

Where: Greenbelt City Community Center, 15 Crescent Rd #114, Greenbelt, Maryland 20770

Childbirth Survival International is invited to join RESULTS Metro Maryland, local volunteers who are active in the nonpartisan nationwide RESULTS organization, as an "expert witness" in Reproductive, Maternal, Newborn, Child, and Adolescent Health (RMNCAH). CSI will highlight the significance and important ways the Reach Act once passed into law will work across the globe especially in developing countries. The purpose of the **#ReachAct** is to implement a strategic approach for providing foreign assistance in order to end preventable maternal, newborn, and child deaths globally within a generation.

Tuesday, September 13, 2016

[Ronald H. Brown African Affairs Series](#)

Time: 9:00 AM - 12:00 PM

Where: African Union Mission, 1640 Wisconsin Avenue NW, Washington DC 20007

Childbirth Survival International will be part of Roundtable III panel discussion on [Strengthening African Healthcare Infrastructure](#). The primary goal of the roundtable is to provide recommendations to the next administration on how the United States can build upon the innovative health solutions and advances its global health efforts have yielded, while also saving millions of lives on the continent.

Monday, September 12, 2016 **Date Change**

[Launch of Midwifery Professional Development Skills Course](#)

Where: Dar es Salaam, Tanzania

Midwives are needed in both urban and rural areas, but more so in rural areas. The chronic shortage of skilled midwives coupled with knowledge gaps in best practices, contribute to preventable maternal and neonatal deaths and disabilities. The CSI midwifery professional development skills course is intended to improve competency skills of midwives, to ensure midwives are using current and best practices to recognize danger signs, how to manage or de-escalate them to save life of **#MomandBaby**, and to provide respectful maternity care (RMC). **Space is limited!** [Click here for registration details.](#)

International Day of Charity

Where: Global

No great accomplishments could have been achieved without the generous individuals, organizations, and businesses who gave and continue to give to causes advancing equity and equality for all especially women, children, and youth. CSI thanks Rotary International District 7620, Kays Hygiene Products, and several individuals for standing with us to reach the unreached with health services and information.

This short video [International Day of Charity, 2016: CSI Reaching the Unreached. Because of You!](#) highlights some of CSI's work made possible through your contributions. Please continue to support CSI and help [1,000 pregnant women](#) and [200 premature babies](#).

September 2 - 4, 2016

[28th Annual Ugandan North American Association](#)

Where: Boston Park Plaza, 50 Park Plaza, Massachusetts 02116

Childbirth Survival International will share ongoing work in Uganda to help pregnant women, newborns, children, adolescents and youth. The convention's theme "**Together We Stand**" strongly resonates with CSI because we value collaboration in order to achieve CSI's mission and build on its vision to improve reproductive, maternal, newborn, child, and youth health in marginalized communities - including Masaka, Wasiko, Mukono communities in Uganda where CSI is currently working. CSI Cofounder and Country Team Leader [Tausi Suedi is expected to be among featured panelists and presenters](#). Through collaboration, will progress towards the Sustainable Development Goals be achieved and rights and well-being of women and girls be fully realized. **#UNAABoston2016**.

Girls Around the Globe Reception

Time: 6:00 PM - 8:30 PM

Where: United Nations Foundation, 1750 Pennsylvania Avenue NW, 12th Floor, Washington DC 20006

With more than 62 million girls around the world not in school—half of whom are adolescents, there is a need for programming which focuses on keeping girls in school throughout adolescence, especially during puberty, when many girls drop out. Childbirth Survival International is pleased to shares lessons from CSI's #GirlTalkGirlPower program and join Girls Health Ed, Girl Up and the UN Foundation in the dialogue to help educate and empower more adolescent girls and young women in the US and Kenya. **Jeff Hoffman**, the keynote speaker.

June 25 - 28, 2016

2016 RESULTS International Conference

Where: Washington Court Hotel on Capitol Hill, 525 New Jersey Ave NW, Washington, DC 20001

The RESULTS International Conference is a hands-on advocacy event held in Washington, DC every summer. The conference is a chance for advocates of all levels and backgrounds to use their voices to change the world. Conference participants spend three days hearing from leading experts, learning new skills, and meeting fellow advocates committed to the end of poverty. Speakers include: **Dr. Paul Farmer, Tavis Smiley, and Ambassador Tony Hall** among other dynamic speakers.

Childbirth Survival International Country Team Leader, **Tausi Suedi** will join RESULTS advocates to speak for poor pregnant women, newborns, children, and girls whose voices are never heard in the fight against poverty and go to Capitol Hill to advocate for the [Reach Every Mother and Child Act of 2015](#) and share CSI stories from the field.

Meetings were held in the following offices: Senator Cardin, Senator Mikulski, Rep.Sarbanes, Rep. Cummings, and Rep. Ruppersberger. **#Voices4RESULTS #EndPoverty**

Tuesday, June 21, 2016

Ending Preventable Child and Maternal Deaths in an Equitable Way

Where: Rayburn House Office Building, Room B-369, Washington DC

A high-level panel discussion on ending preventable child and maternal deaths in an equitable way. The five-person panel will launch USAID's annual report, *Acting on the Call* and discuss how to achieve the ambitious goal of ending preventable deaths. Keynote remarks by **Gayle Smith**, Administrator of USAID. US House Representatives **Ander Crenshaw** and **Lois Capps** will be honored for their tremendous contributions to the health of women and children around the world. Childbirth Survival International will join this discussion as a key partner and advocate for **#MomandBaby**.
